

NOTICE TO MARINERS

(No. 15 of 1996)

THE RIVER MEDWAY APPROACH AREA

THE GREAT NORE ANCHORAGE

Mariners are reminded of the variable tidal conditions that are experienced in the area of the **Great Nore Anchorage** and of the restricted approach into and out of the anchorage from and into the **Medway Approach Channel**.

2. In respect of the foregoing, persons in charge of vessels are advised to **exercise Care and Caution** when entering or leaving the anchorage and to make due allowance for the prevailing conditions.
3. Mariners are further reminded that the area between No. 1 Medway Channel Buoy and the Medway Buoy offers greater manoeuvring room for entry into and exiting from the Great Nore Anchorage.
